Young Savers Club

You are never too young to start saving. There will always be something you will want to save up for – CD's, DVD's, computer games or, as you get older, driving lessons, gap year trip or even your first car!

If you are under 18, start saving today, so you can see the benefits tomorrow!

How much can I save?

You only need £1 to open a Young Savers Club account, and you can save up to £5,000 in total. The minimum investment level must be maintained for the account to remain open.

Once you start to save you will be surprised how quickly your balance grows. Whether you are saving your pocket money or birthday money, the Young Savers Club account gives you instant access to your savings, so that when you have saved for something special you know you can have access to your money.

If you find you are in a position to keep some of your savings until you reach 18, you could take advantage of an even higher rate of interest by putting your money into our 18 Club account. Please note that access to funds placed into an 18 Club account is not allowed until the account holder's 18th birthday.

A passbook will give you a record of the transactions that you have carried out. Please present it every time you pay into your account or make a withdrawal.

How is interest paid?

Interest rates are variable.

Interest builds up on
the daily

balance and is then added to your account twice yearly on or about 30th June and 31st December.

Most Young Savers Club account holders will be able to receive interest gross. An HM Revenue & Customs registration form R85 can be obtained from the Society or downloaded from HM Revenue & Customs via our website and should be signed by a parent or guardian if the account holder is under 16 years old. Interest will be paid net of income tax at the rate required by law if an R85 is not received.

Paying money in

Money can be added to your account, up to the annual limit, by any of the following methods:

- *Cash or cheques can be paid in over the counter*
- *You may also pay cheques into your account by post*
- *You can arrange a direct transfer once your account has been opened*

Our Freepost address is:

**FREEPOST SB165, Harpenden Building Society,
14 Station Road, Harpenden, Herts, AL5 4BR**

When making cheques payable to Harpenden Building Society you should also include the name of the person into whose account the money is being paid (e.g. Harpenden Building Society – J S Smith).

If you are paying cheques into your account they will take six working days to clear from the day after receipt. You will also earn interest from the day after receipt.

Taking money out

You can make withdrawals from your account instantly and without penalty.

You can withdraw up to £50 in cash per day over the counter unless accompanied by a parent or guardian, when the daily cash withdrawal limit would be £250. Instant access up to the total balance on your account is available by cheque.

What happens on your 18th birthday?

We will write to you prior to your 18th birthday and at this time the account holder will be given the choice of receiving a cheque for either part or all of the funds (together with interest) or the option to open a 21 Club account or any of the Society's other savings accounts.

The 21 Club account allows savers aged 18 to 21 to maintain an investment account with a high rate of interest, and to make up to 3 withdrawals from the account annually. For further details please refer to our 21 Club product leaflet.

If the Society does not receive any instructions from the account holder within 60 days of maturity (your 18th birthday), then the whole amount plus interest will be transferred to either an Escalator or Hertfordshire/Bedfordshire/Premiershare account, depending on the balance.

Opening an account

The account must be in the sole name of the account holder and cannot be held by parents, trustees or guardians. If the account is opened in the name of a child less than seven years of age, or the account is being opened on behalf of the child, then the adult opening the account should sign the form on the child's behalf.

Identification

We are required by law to check the identity and address details of all account holders. To do this, we need to see one document from each of the two lists shown below, if you call in

person at any of our branches or agencies. If you make a postal application we will need to see one document to confirm your name and two to confirm your address.

TO CONFIRM YOUR NAME AND AGE

- *Current full passport*
- *Birth Certificate*
- *NHS Medical card*

TO CONFIRM YOUR ADDRESS

We appreciate that whilst under the age of 18 you may not have any relevant documentation addressed to you at your home address. We are therefore happy to accept proof of address from your parent or guardian, and as such examples of appropriate documentation are detailed below:

If you cannot provide the requisite number of items from each list, please contact 01582 765411 for further guidance.

AGREEMENT TO ASSIGN

If you had a share account with the Society on 30th April, 2000 and have kept an account continuously since that date, the wording in paragraphs 1 to 3 below does not apply to you however it must not be deleted.

Please list your share and mortgage account number(s)

1. By applying to open a share account on or after 1st May, 2000 I agree with the Society and the Charities Aid Foundation ("the CAF") that I will assign to the CAF [or to any charity(ies) nominated by it or by the Society under the provisions of a deed dated 28th April, 2000 between the Society and the CAF, in which case references to the CAF shall include references to any other charity(ies), but to no other person] the rights to any relevant conversion benefits [defined below]. This obligation will not apply to me if I fall within any class of persons which, as at today's date, the Society wishes to be excluded from such obligation. This agreement is irrevocable and authorises the Society to transfer to the CAF any such benefits without further notice to me. I understand that neither the Society nor the CAF will release me from this agreement or vary its terms and I will continue to be bound by the above condition even if the Society decides at some time in the future [and announces any such decision by press release or otherwise] that it is no longer in the best interests of the Society to continue with the above assignment condition generally in respect of new members.
2. (a) "Relevant conversion benefits" means any benefits to which I might become entitled as a shareholding member of the Society under the terms of any future transfer of the Society's business to a company [i.e. on a conversion or takeover] which is completed at any time within the five years immediately following the date on which my share account is opened [or, if applicable, the shorter period as set out in the list available from the Society's Secretary]. "Relevant conversion benefits" does not include the statutory right to have shares in the Society [including any balances on share accounts] converted into deposits with the company on a conversion or takeover.
(b) If the Society merges with any other society, after the date of such merger the "Society" includes such other society.
3. I authorise the Society to pass to the CAF such information relating to me and my accounts with the Society as the CAF may reasonably require in order to administer this agreement to assign and the relevant conversion benefits and for no other purpose. I consent to both the Society and the CAF holding and processing such information for such purposes.
4. A list of the classes of persons which the Society currently wishes to be excluded from the obligation to assign or in respect of which a shorter period applies [which list may change from time to time but not with retrospective effect] is available on request from the Society's Secretary at its principal office.

Such information shall only be passed on to CAF in the event that the Harpenden Building Society is to transfer its business to a company (i.e. on a conversion or takeover).
