

Identification Requirements

HARPENDEN
BUILDING SOCIETY

Identification for members

We are required by law to verify the name and address of new and in some cases, existing Members who wish to open a savings account or apply for a mortgage. This approach helps to protect our Members against fraud and identity theft.

We use a combination of electronic identification and documentary evidence to verify your identity. Further details of this process can be found in this document.

1. Electronic Identification Verification

The electronic identification process is carried out using a Credit Reference Agency who checks your details against other databases. This is not a credit search and will only record the fact that we have carried out an ID check. If electronic identification is unsuccessful, we will ask you to provide us documented proof of your identity and/or permanent address as detailed in section 2.

To support the electronic identification process, for new Members, we also require one of the acceptable identity documents listed below:

9. Identity theft

Identity theft is a growing crime. It is extremely important that you reduce the risk of your details falling into criminal hands by keeping your personal details safe to prevent misuse of your accounts.

- Treat your personal details as you would a valuable item: as something to be looked after.
- Beware of emails 'phishing' for personal details, these often direct you to realistic-looking but fake websites set up to steal your identity. We will never contact you in this way.
- Check the credentials of anyone asking for your personal information, whether by phone, face-to-face or over the internet. If in doubt, don't do it!
- **Never** share your passwords with other people.
- If you move home, change your name or contact details please advise us straight away and send in your passbook so we can update our records.
- Shred any documents that contain your information before you throw them away.

If you discover fraud, don't panic but do act quickly. Immediately contact your local branch or our Member Services Team on 01582 765411 to let us know. They will tell you whether you need to contact the police and what steps we will take next to protect your accounts.

10. Dormant and inactive savings accounts
