CHAPS Facts

CHAPS stands for Clearing House Automated Payment System and is the UK's same day high value payment system. CHAPS is the only UK payment system which guarantees a same day transfer, providing all the details provided are correct.

Once your request has been actioned and the funds have been sent via CHAPS, you are unable to stop or recall the funds. If the details entered onto the form were incorrect and the payment has been sent successfully, we are unable to recall the funds, you will need to apply directly to the recipient for a refund as the funds will have already been credited to their account.

Fees

There is a fee for sending payment using the CHAPS of £15.00 as stated in our Tariff of Charges, which are available in branch or from our website. This will be debited from your account at the same time as the payment.
