Can Harpenden change the interest rate?	Yes, we have the right to vary the rate of interest. If we decrease the interest rate, we will notify you 95 days in advance of the change. What would the estimated balance be after 12 months based on a £10,000 deposit?	The estimated balance after 12 months based on an initial deposit of £10,000 would be £10,377.00. This projection is provided as an example only and doesn't take into account your individual circumstances. We have worked this out assuming a £10,000 deposit is made on account opening and no further deposits or withdrawals are made throughout the year.
