Triple Access Cash ISA Account

What is the interest rate?	Interest rate if 3 or fewer withdrawals are made per calendar year	2.70% Gross PA / AER* variable
	Interest rate if 4 or more withdrawals are made per calendar year	1.10% Gross PA / AER* variable
<p>Interest is calculated on a daily basis and added to your account annually on 31st December.</p> <p>When will you get the higher interest rate?</p> <p>The interest rate on your account will be the lower rate. However if 3 or less withdrawals are made during the calendar year, the interest rate applied to your account on the 31st December will be the higher rate instead. From the 1st January your interest rate and withdrawals reset.</p>		
Can Harpenden Building Society change the interest rate?	<p>Yes, we have the right to vary the rate of interest. If we decrease the interest rate, we will notify you 14 days in advance of the change.</p> <p>Please refer to Condition 7 of our General Terms and Conditions for Retail Savings Accounts (available in our branches and our website) which sets out the reasons for which we may change the rate and the procedure for doing so.</p>	
What would the estimated balance be after 12 months based on a £1,000 deposit?	If no withdrawals are made:	£1,027.00
	If withdrawals of £10 are made each month for the first four months	£970.67
<p>This projection is provided as an example only and doesn't take into account your individual circumstances. We have worked this out assuming a £1,000 deposit is made on account opening and no further deposits or withdrawals are made throughout the year.</p>		
How do I open and manage my account?	<p>You must be at least 18 years old and a UK resident and hold a valid national insurance number to open a Triple Access Cash ISA. You may only hold one Triple Access Cash ISA with us.</p> <p>This account can be opened on Harpenden Online via our website www.harpendenbs.co.uk, in one of our branches or by post.</p> <p>Minimum balance: £1 Maximum balance: £250,000 Maximum yearly deposit limit current HMRC tax year allowance.</p> <p>No joint accounts are accepted (as per ISA rules).</p> <p>If you have an existing cash ISA with the Society, this can be transferred to this account without affecting your annual ISA allowance. We accept full and partial ISA transfers from both previous and current tax years into this account. Once your annual ISA allowance has been reached no further deposits will be allowed, regardless of how much is withdrawn. Any increases in ISA subscription limits will be applied in each applicable tax year.</p> <p>Please note that you must fund the account with the minimum balance of £1 within 30 days of account opening, otherwise your application may be cancelled.</p> <p>Please follow the guidance in our 'Identification Requirements' document available in branch and online.</p> <p>You can manage this account in our branches, by post or online (subject to the terms and conditions of Harpenden Online).</p> <p>By Branch or Post: Deposits can be made by cash (up to £3,000 per day) and cheque or by bank transfer. By Online: Deposits can be made by bank transfer only.</p> <p>If you currently have an existing Harpenden Building Society account it may be possible to transfer your funds, subject to your existing product terms and conditions and the product terms and conditions of this account. Please check with us to see whether this is possible.</p>	
Can I withdraw money?	<p>This is not a flexible ISA. If you take money out of your account, it does not change the subscription limit. For example, if you deposit £2,000 in this account and withdraw £1,000 you can only subscribe a further £18,000. By taking money out of your ISA, you're also giving up the tax-free benefits on the amount taken out. This means you might need to pay tax on any future interest you earn on that amount. You will not be permitted to reduce the balance in your account to less than the minimum balance, unless you are closing the account.</p> <p>Yes, you do not have to give notice to make a withdrawal or close your account. If you make 3 or fewer withdrawals during the calendar year, the higher rate shown above will be applied to your account on the 31st December.</p> <p>Withdrawals can be made in our branches and by post, by cash (up to £500 per day), by cheque, or via faster payment into a nominated bank account (up to £100,000, or above that amount via CHAPS).</p> <p>Withdrawals can also be requested using Harpenden Online which allows a maximum £50,000 via faster payment into a nominated bank account per day and must be submitted by 3.00pm.</p> <p>Payment requests received after this time will be processed the following working day.</p>	
Additional information	<p>This account is tax-free.</p> <p>Any tax treatment and/or rates referred to are those applying under current legislation, which may change and their availability will depend on your individual circumstances.</p> <p>The favourable tax treatment of Cash ISAs may not be maintained.</p> <p>The Society reserves the right to withdraw this product without notice at any time.</p>	

*The gross rate (PA) is the rate before deducting tax at the rate applicable to savings income. The annual equivalent rate (AER) is a notional rate which illustrates what the gross interest rate would be if the interest was paid and added to the account annually.
