Please refer to Condition 7 of our General Terms and Conditions for Business Deposit Savings Accounts (available in our branches and our website) which sets out the reasons for which we may change the rate and the procedure for doing so.</p>
<p>What would the estimated balance be after 12 months based on a £10,000 deposit?</p>	<p>The estimated balance after 12 months based on an initial deposit of £10,000 would be £10,250.00. This projection is provided as an example only and doesn't take into account your individual circumstances. We have worked this out assuming a £10,000 deposit is made on account opening and no further deposits or withdrawals are made throughout the year.</p>
